

Announcing the 2019 Verna J. Kirkness Science & Engineering Education Program

For Participating Universities and dates please go to:
<http://www.vernajkirkness.org>

THE PROGRAM

The Kirkness Program provides the opportunity for grade 11 students to spend one week in a research laboratory (science or engineering) and experience what it would be like to attend University.

WHO CAN APPLY

- ✚ Grade 11 First Nations, Métis or Inuit students with an interest in science, math or engineering.

HOW TO APPLY

- ✚ Applications with instructions are on Verna J. Kirkness Education Foundation website: <http://www.vernajkirkness.org>
- ✚ Go to the APPLY page for a complete list of participating faculty and projects: <http://www.vernajkirkness.org/application-form/research-areas/>
- ✚ Complete the entire application – **Applications due FEBRUARY 15, 2019**
- ✚ Have a teacher or guidance counselor provide a reference letter

PROGRAM DETAILS

- ✚ All expenses are paid – transportation, food and accommodations.
- ✚ Students live on campus along with teacher/chaperones and spend time with Elders at Aboriginal Students' Centres at each University.
- ✚ Students will make a presentation of their research findings on the final afternoon of the Program.
- ✚ Students will attend an Honour Dinner with Dr. Verna J. Kirkness
